FOR IMMEDIATE RELEASE

GOOD SMARITAN SHELTER COVID-19 IMPACT *The COVID-19 emergency will impact the most vulnerable*

(Santa Maria, CA)- Good Samaritan Shelter has been impacted like the rest of the community by the COVID-19 outbreak. Staff are working around the clock to ensure that the 240+ persons in our shelters are safe and protected. Our shelters are now open 24/7. Good Samaritan Shelter is committed to following the recommendations of Public Health, Behavioral Wellness, our local, state and federal governments, and the Center for Disease Control with regards to social distancing and providing essential services.

The need for community support is important as we have a lot of needs at this time. The best way for the public to assist us is to make a monetary donation at our website: www.goodsamaritanshelter.org/donate or mail to:

Good Samaritan Shelter
245 E. Inger Drive, Suite 103 B
Santa Maria, CA 93454
Attention: COVID-19 Emergency Donation

The money donated will be used by Good Samaritan Shelter to directly help people by providing food, shelter, and comfort during this difficult time as we face the uncertainty in the days ahead.

The best thing the public can provide at this moment is monetary donations so we can directly take care of all the clients' needs, as we are unable to take physical donations or accommodate any walk-ins to our facilities. Good Samaritan Shelter appreciates the support of the community at this time, and we are committed to making sure the most vulnerable are provided their basic needs of safe housing and warm meals.
